

Dear Friend,

The Middlesex County Federation of Democratic Women is a Chapter of the National Federation of Democratic Women. The NFDW, Established in 1971, to support women's voices within the Democrat Party, holds annual conferences and activities designed to highlight this extraordinary group of women. The NFDW received a seat on the Democratic National Committee, the only women's organization given that privilege.

We invite you to join this committed group of like-minded individuals. Our Meetings are informative, as well as socially engaging, and our programs advance our mission of empowering and electing Democratic women,

We encourage our members to attend meetings/events and participate in advancing our common goals. Regular meetings are held on the 4th Wednesday of each month, at various locations throughout the county. If you would like to host a meeting or Special Event in your town, please let us know.
